

Chrissy is a thoughtful, kind, hard-working and reliable young woman of 21 who is looking for her first paid job. She lives in Broadbridge Heath and travels independently to places within reasonable distance of Horsham.

Chrissy is open to ideas of working in any vocational area. Within the retail sector she would shine in a more *behind-the-scenes* role rather than, for example, using a till with a constant flow of customers. She's a great team-player, not a team leader, but somebody who would quietly get on with the tasks assigned to her whilst her more effervescent colleagues took on the *front-of-house* duties.

Chrissy loves working with children and for a year during her time at Tanbridge House School she had a weekly placement at Skylarks Pre-School where she achieved Level 1 passes in many units of childcare activity. She has also had a successful work experience placement at the Christian Bookshop in Horsham where she worked as a cafe assistant.

At her time at Central Sussex College (September 2012 - June 2014) Chrissy had an excellent attendance record and worked diligently to achieve:

CACHE Level 1 Diploma in Caring for Children (QCF)
CACHE Level 1 Award in Personal and Social Development (QCF)
ASDAN Entry Level Certificate in Employability (QCF)

Chrissy also has level 1 qualifications in English and Maths as is waiting to hear on her BTEC1 Information Technology results. She has GCSEs in Maths (G), English (G), Science (F), Art (E), Child Care (G) and IT (G).

Chrissy has a very sensible, mature outlook on life. If she doesn't understand something she's not afraid to ask and once she's shown how to do a task she rarely needs to be shown again.
